Memorandum

John Akoda

From: William Kelly

Dr. Akoda came to the ECFMG office today. He reiterated that he is not "Igberase Charles" and said he was his cousin. He said he did use Charles's social security number.

Akoda provided his original Nigerian passport and Nigerian "international driving permit." I made copies.

Akoda indicated that Jersey Shore Medical Center had suspended him pending outcome of ECFMG's investigation. Akoda asked when his case will be reviewed.

I told him I understood Jersey Shore was conducting its own investigation. I asked him to send me a copy of the letter he received from the hospital.

ECFMG® is an organization committed to promoting excellence in international medical education.
